Journey to the Enchanted Forest

Saturday November 28, 2026

Sardis Sports Complex, Multipurpose Room (Rink 3)
5725 Tyson Rd
Chilliwack, BC V2R 3R6

Skate Canada

CHEAM SKATING CLUB

Below is the schedule for the *Journey to the Enchanted Forest* photo day taking place **Saturday November 28th** from 10:15am-3:00pm.

Your skater **must** arrive at the arena with their costume already on. There is a hockey tournament happening during our photo day, please arrive with your skater photo ready. We will be able to use the stands to put skates on and off. **Please ensure that you have received your costume prior to arriving to picture day.**

Please ensure your skater has a pair of guards to protect their blades and the floor for photo day. If your skater has a cage on their helmet please remove it for photo day so you can see their face in the photo. Some skater groups may not wear helmets for picture day, this will be communicated ahead of time based on the headpiece of your skater's costume, please bring their helmet in the case that it is needed.

Our photographer this year is Brittany from *Best in Creations* (www.bestincreations.com). After the show an online gallery link and password will be sent out. You will be able to view and purchase photos via debit or credit card. There will be both digital files and prints available. All printed items are done through a professional lab and shipped directly to your home. As a part of your ice show fee the club has provided one printed 4x6 picture of your skater, these will be available after the show.

Photos will also appear in our ice show program which will be available the day of the show.
