CHEAM SKATING CLUB

Journey to The Enchanted Forest

The Cheam Skating Club is proud to be hosting their biennial ice show this year on December 12th. The ice show is a long-held tradition at the Cheam Skating Club that allows the skaters to showcase and perform what they have learned across the season for family, friends and the community. Skaters from every program, Canskate, Jr. Academy, Bronze, Silver, Gold and Diamond have the opportunity to showcase their skills at the event of the season. Registration for Fall 2026 programming includes participation in the show, no additional registration is required.

Important Ice Show Dates

Event	Date
Photo Day	November 28 (times TBA)
Practice Begins	November 16 (Canskate, Jr. Academy) November 23 (Bronze, Silver, Gold, Diamond)
Dress Rehearsal	December 11 (4:30pm)
Ice Show	December 12 (2 shows, 1:00pm, 5:00pm)

What is the fee for the ice show?

Program	Fee
Canskate	$25
Jr. Academy	$50
Bronze, Silver, Gold, Diamond	$100

What does the fee include?

The fee for the ice show includes a costume for your skater (that you get to keep), one individual 4x6 photo from picture, as well as helps pay for coaching, ice and decoration costs associated with the event.

For skaters in the Bronze-Diamond, the cost covers one costume, additional costumes are an extra cost that is to be determined based on the number of routines that your skater is in. Additional costs will be communicated at a later date. For this year's production of "Journey to The Enchanted Forest" we anticipate only one costume needed per skater due to the nature of the show's production.

Skaters in the Synchro class may be required to purchase an additional costume for the show.

How does the ice show affect practice?

Canskate and Jr. Academy:

Programs are run as usual, there are no required times to attend skating other than the times that you are registered for (besides photo day, dress rehearsal and show day). Choreography is completed alongside learning; skaters will spend part of their session learning choreography and part of their session participating in their regular programming. Report cards are still distributed at the end of the season.

Bronze, Silver, Gold and Diamond:

Program scheduling will be adjusted from November 23 – December 10 to allow for choreography. Your skater may need to attend more session than usual for these 3 weeks. No buy-ons are required for extra days that your skater is required to attend. The coaches take into consideration the days of the week that skaters participate in when creating the schedule for choreography.

How can I help with the ice show?

We are always looking for volunteers to help prepare the ice show and on the day of. If you are interested in helping send an email to cheamsc@telus.net and we can direct you to the ice show committee. We are specifically looking for volunteers that can help with costuming, decorations, lighting/sound, set up/take down and dressing room parents.

As a part of the volunteer program at Cheam, families in Bronze + groups are required volunteer a certain number of hours. We recommend filling part of your hours through volunteering for the ice show.

We are also seeking sponsors for the event. If you have a business or know of one that is looking to support youth programs in the community, send an email to cheamsc@telus.net. This is a big event, and we strive to keep the cost low to participants to ensure accessibility to all.

Interested in joining the ice show committee?

The ice show would not be able to run without the ice show committee. We are looking for enthusiastic volunteers to help us plan and execute the show. Please send an email to cheamsc@telus.net if you are interested in joining the committee. Some of the roles that we are looking to fill are costume coordinator, decoration coordinator, volunteer coordinator and boutique table coordinator.
