CHEAM SKATING CLUB

Journey to The Enchanted Forest

The Cheam Skating Club is proud to be hosting their biennial ice show this year on December 12th. The ice show is a long-held tradition at the Cheam Skating Club that allows the skaters to showcase and perform what they have learned across the season for family, friends and the community. Skaters from every program, Canskate, Jr. Academy, Bronze, Silver, Gold and Diamond have the opportunity to showcase their skills at the event of the season. Registration for Fall 2026 programming includes participation in the show, no additional registration is required.

Important Ice Show Dates

Event	Date
Photo Day	November 28 (times TBA)
Practice Begins	November 16
Dress Rehearsal	December 11 (4:30pm)
Ice Show	December 12 (2 shows, 1:00pm, 5:00pm)

What is the fee for the ice show?

Program	Fee
Jr. Academy	$50

What does the fee include?

The fee for the ice show includes a costume for your skater (that you get to keep), one individual 4x6 photo from picture, as well as helps pay for coaching, ice and decoration costs associated with the event.

How does the ice show affect practice?

Programs are run as usual, there are no required times to attend skating other than the times that you are registered for (besides photo day, dress rehearsal and show day). Choreography is completed alongside learning; skaters will spend part of their session learning choreography and part of their session participating in their regular programming. Report cards are still distributed at the end of the season. Skaters may be asked to join a day or two of programming that they are not registered for to allow them to practice their routine with all of the Jr. Academy skaters. There is no extra fee for the extra practice and dates will be communicated at the beginning of November.

Skate Canada

CHEAM SKATING CLUB

What should my skater expect to perform at the ice show?

All skaters in Jr. Academy will have 1 performance per show. Their group for the show is "Butterflies".

Costume, Hair and Makeup

One costume is included in the cost of the ice show fee, additional costumes may require sourcing and/or additional fees. Information regarding additional costumes and costs will be communicated directly to skaters.

Tights: all skaters in Jr. Academy are required to have their own **in the boot** skating tights for the show and picture day.

Hair:

Picture day: slick back high ponytail, **helmet is not required**

Dress Rehearsal: 2 braids under helmet

Show Day: 2 braids under helmet

Makeup: up to your discretion, it will be easier to see your skater's face under the show lights if they wear makeup

Practice Schedule

Nov 16 – Dec 10:

Jr. Academy skates will attend their regular sessions and may be required to attend additional practices in order to learn their show routines. No buy-ons are required for additional practices.

Dec 11 (Dress Rehearsal):

After the dress rehearsal, skaters in Jr. Academy will be asked to stay to review anything needed for show day. The dress rehearsal will be a closed event.

Dec 12 (Show Day):

Skaters are required to arrive 30 minutes before the start of each show.

How can I help with the ice show?

We are always looking for volunteers to help prepare the ice show and on the day of. If you are interested in helping send an email to cheamsc@telus.net and we can direct you to the ice show committee. We are specifically looking for volunteers that can help with costuming, decorations, lighting/sound, set up/take down and dressing room parents.

As a part of the volunteer program at Cheam, families in Bronze + groups are required volunteer a certain number of hours. We recommend filling part of your hours through volunteering for the ice show.

We are also seeking sponsors for the event. If you have a business or know of one that is looking to support youth programs in the community, send an email to cheamsc@telus.net. This is a big event, and we strive to keep the cost low to participants to ensure accessibility to all.
